### Secretary's Exit Comments:

It has been an honor and a privilege to serve as this Aerie's secretary for the last four years.

While most members get a chance to see the Eagles only as a club, I have had the opportunity to see how the Fraternal Order of Eagles organization is supposed to function, with many different internal departments.

It was quite an experience seeing the many different management styles.

I wish the incoming officers, and the entire Aerie & Auxiliary, the best of luck with all future endeavors. 3580A

Sincerely,  
Earl Sletten
